Welcome to the new Chartwells menu now available in Derby City Schools.

What we eat now counts later so you can trust us to ensure your child's new school lunch menu will include everything they need for a healthy lifestyle.

Our new menu is a four week cycle and runs from November to February taking into account the winter season. We've focused on seasonal produce to ensure meals are as tasty and nutritious as possible and because we also believe that food should be fun and enjoyable, we've included dishes which our young customers constantly vote their favourites in our new menus!

- Traditional roast day; everyone's favourite meal, served with Seasonal Vegetables
- Around the world dishes; including Italian Meatballs in Tomato Sauce with Pasta
- Best of British; Sausages, Champ Mashed Potatoes, Vegetables and Gravy

Our tried and tested recipes use the best ingredients from regularly audited suppliers and growers who meet the highest food safety and environmental standards.

Chartwells in partnership with Derby City Council will ensure that we offer your children a Government compliant, nutritionally balanced and tasty meal.
