

# MERTON FARMERS MARKET

## WILLIAM MORRIS PRIMARY SCHOOL

### Friday 5<sup>th</sup> October 2018

On the 5th October, Chartwells worked in partnership with the pupils and teaching staff at William Morris Primary School to come together and celebrate their annual Farmers Market with great success. All the pupils involved really enjoyed making their own fresh fruit smoothie on our special smoothie bike, with over 60 pupils actively returning for more! Not to mention all the interaction from parents about how to Chartwells are supporting the reduction of sugar at our sugar awareness stand. Tony, our dedicated development chef for Merton, created delicious tasters for the pupils and parents, replicating dishes offered on the school menu. These dishes included Italian frittata and stir fry noodles which now have pride and place on the menu chosen by the pupils.

**“This is such an amazing idea! I never thought it could be so easy to make a healthy snack”**  
Parent

Special thanks to all the wonderful teachers and staff at William Morris for welcoming us into your school and helping us set up! We hope you enjoyed yourselves as much as we did!
