## **SPECIAL DIETS**

Dear Parent, Guardian

To enable our nutrition team to provide a special diet menu for your child please supply your school with a copy of the letter that you would have received from your GP/Dietician confirming your child's allergen.

It is important that we receive this information to ensure the correct menu is provided.

Once the confirmation letter is passed to Chartwells from your school, we will provide a menu for your approval; this can take several weeks depending on the allergy. This will then be communicated to the catering team in your school who will be able to produce the menu to your child's requirements.

Please be advised that until an approved and agreed menu is in place we will only be able to provide your child with a Jacket Potato with Baked Beans plus Fresh Fruit.

We thank you for your co-operation and understanding.

Regards

Lee Futcher
